The Honorable Kay Granger

Dear Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for an extension of Martin Avenue to Courthouse Road (1760 N Road) including utilities and a detention pond through the fiscal year 2022 Appropriations bill. The entity to receive funding for this project is the City of Watseka located at 201 Brianna Drive, Watseka, Illinois 60970. The funding would be used for extending Martin Avenue to provide easier access for emergency services vehicle for a new K-12 school campus, an assisted living complex, and residential subdivision, while also providing a detention pond for flood mitigation. This will provide the City of Watseka with the opportunity for residential development on the East side of the city which is very much needed after four, 100-year floods since 2008 have devastated several homes on the north and west parts of town. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Adam Kinzinger
Member of Congress
