

Bring the U.S. Capitol to Your Classroom!

Educators, would you like to add interactive and engaging teaching materials about the U.S. Capitol and Congress to your online classroom? The U.S. Capitol Visitor Center has easily accessible tools and resources.

Live Online Classes

A U.S. Capitol Visitor Center educator will join your students via Zoom to explore:

- ◀ **What is the Constitution?** Students learn about Article I of the Constitution, the Bill of Rights, and the role of citizens and of Congress. For all grade levels, 30-45 min.
- **The Debates of the Constitutional Convention of 1787.** Students join in analyzing debates and compromises that created the U.S. government. For middle and high school students, 30-45 min.
- **The function, history, architecture, and art of the U.S. Capitol.** An interactive Q&A for all grade levels, 20-25 min.

The Capitol Visitor Center offers Zoom programming Monday through Friday. Classes are curriculum based. **BOOK HERE:** www.visitthecapitol.gov/student-programs#bookzoom

Self-guided E-learning

◀ Check out a **Video Tour of the U.S. Capitol** for Middle School Students.

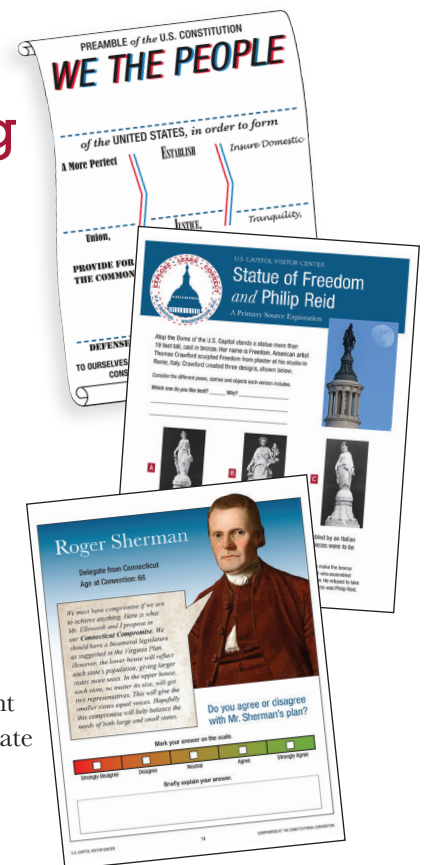

Quick, easy-to-use supporting activities:

- Follow Along Worksheet
- Middle School Tour Quiz

Activities, Worksheets, Quizzes and Resources

- Constitution Preamble Activity
- Constitutional Convention Activity
- The Statue of Freedom and Philip Reid
- The Constitution and Congress

◀ **VOTE! Program Preview** A three-minute video that provides a peek into the world of decision making through the process of voting. Hear different points of view on a common issue and then participate by voting on the question. Sign up for notifications and updates of the VOTE! program by emailing: education@visitthecapitol.gov.

This was a really wonderful program. Students were consistently engaged and it produced some fantastic conversation.
